Good afternoon Dennis,

Topics for your consideration to discuss with Larry:

Non-Responsive

- This might be a good time to give Larry a heads up regarding your, Michelle and Stan Meiburg's trip to AK and our intent to invite him on the Fairbanks leg, where we would likely cover Non Responsive , possibly Flint hills sulfolane groundwater contamination and our partnership with ADEC, and Non Responsive Non Responsive I will wait to contact his admin person until after we get our flights secured, which should be later this week/early next week. If Larry is not available his new Deputy, Alice Edwards, would be a good choice.
